

CASATI BRAND PHILOSOPHY

Casati was founded as a hub for Italian-made design and art, shaped by a triangular vision where extravagance, good taste, and creative research converge.

Inspired by Marchesa Luisa Casati, known for her eccentricity and devotion to art, embodying life as a work of art.

Luxury products that blend art and Italian craftsmanship, catering to a refined and discerning clientele.

Cultivating Art

CASATI

Casati perfume cruet celebrates the lion's logo of the Maison

A lion set against an olive branch rising up in a crown of shells,
designed by artist Alessandro Malossi.

An evocative synthesis between the lion depicted in
the Estate and the frescoes of Palazzo Bianconcini,
places where the brand finds its birthplace.

The feline, at the same time,
recalls the Palazzo Venier dei Leoni in Venice,
which was the home of the Casati, then of Peggy Guggenheim.
